❖ BUILDING PERMIT & PLAN CHECK FEES ❖

The attached sheets will assist you in calculating an estimate of the fees for your building project. Please keep in mind that this is an estimate and there may be additional applicable fees from other departments.

There may be additional fees from other agencies, such as the health department, school district, or other federal, state, or local agencies.

You may also go to the City's web site at (www.riversideca.gov) then go to: City Government - Building & Safety - Permits - Permit Fee Calculator.

Note: This package does not include fees from:

Public Utilities - Electrical	(951) 826-5489
Public Utilities - Water	(951) 826-2126

For School fees call your local school district:

Riverside Unified School District	(951) 352-6729 Ext. 82105
Alvord Unified School District	(951) 509-5095
Moreno Valley Unified School District	(951) 571-7690 Ext. 17376

BUILDING VALUATION DATA

The following values have been adopted by the City of Riverside as representative of the typical cost of construction for the purpose of calculating Building Permit and Plan Check fees. The values are not intended to represent the actual cost of constructing a given project.

HOW TO USE

Multiply the total square footage of the building by the Per Square Foot Valuation shown below. This value will represent the total cost of construction for the purpose of calculating Plan Check and Building Permit Fees. See the Fee Calculation Estimate Sheet.
